

What to wear

HUNTERS/RIDING HORSES

Riders should wear tweed jacket with collar & tie, though a coloured stock is acceptable. Plain leather gloves & a show cane, with boots or half chaps. A correctly fitting hat with safety harness. Breeches should be plain, preferably beige.

HACKS

Male riders wear as above, but lady riders may wear navy or black jackets. If you are unsure whether your horse is a hack or riding horse wear what you think is appropriate, and the judges will put you on the right track, but you will in no way be penalised if you get it wrong!

PLEASE NOTE

Grooms must be neatly and appropriately turned out AND MUST wear a hard hat.

GENERAL

Coloured browbands acceptable for a hack/riding horse. It is also considered correct dress for ADULT riders to wear spurs or dummy spurs, but this is optional.

If you are lucky enough to get through to the final championship at HOYS, adult riders should wear white or cream stock, men may wear a red hunting coat with top boots if appropriate for their type of horse.

Snaffle, Pelham or simple double bridle.
